Action Council for 29 Palms Inc (Action 29) is a non-profit 501c[3]. Action 29 was established in 1994 to optimize the social, cultural and economic well being of the community through arts and tourism, and maintain and enhance our uniquely fragile environment and heritage. The intent of our mission is to revive the pioneer spirit of “can do” and restore community pride. Recreating the history of our community by painting quality, world-class murals on walls within our community is a way to realize our mission. These murals celebrate our sense of community while elevating our aesthetic perceptions.
